

DYNAMIC DANCERS

Dance program specifically for the special needs child. It is designed to help those that love to move to music the opportunity to learn ballet and jazz dancing in a dance studio atmosphere. Technical ballet and jazz dance will be introduced in a fun way, using the ballet barre, hoops, balls and ribbons, to stimulate their creative senses and move their body to music they love. 3 levels will be available so a student has the ability to continue learning as they progress in the areas of ballet and jazz. Open to girls and boys with special needs. Wheel chair or walker is welcome too.
